4. Discussion topics

1) Website/Facebook

Website will be remained at ISPP website until AASPP makes its own. Facebook was created and managed by graduate student groups in Korea. AASPP needs to promote this Facebook for next generations.

2) Financial Plans

AASPP needs to create bank account to hold money from conference share. APPS is still holding \$4000.00 that belongs to AASPP. This money is the AASPP share of conference in Darwin in 2011. Conference shares of Chiang Mai in Thailand (2014) and Jeju in Korea (2017) will be transferred to AASPP bank account once it created.
