

Jan E. Leach

University Distinguished Professor, Colorado State University

Associate Dean for Research, College of Agricultural Sciences

Institute Adjunct Scientist, International Rice Research Institute, Philippines

Contact: Bioagricultural Sciences and Pest Management, Plant Sciences, Colorado State University, Fort Collins, CO 80523-1177; Phone: 970-491-5261

Email: Jan.Leach@colostate.edu

Professional Preparation:

University of Nebraska, Lincoln, Microbiology, B.S. with Honors, 1975

University of Nebraska, Lincoln, Microbiology, M.S., 1977

University of Wisconsin, Madison, Plant Pathology, Ph.D., 1981

East Malling Research, Kent, UK, Postdoctoral Fellow, Plant Pathology & Biochemistry, '81-'84

Appointments:

Colorado State University, Research Associate Dean, College of Agricultural Sciences, 2015-

Colorado State University, University Distinguished Professor, 2007-

Colorado State University, Professor, Bioagricultural Sciences and Pest Management, 2004-

Kansas State University, University Distinguished Professor, Dept Plant Pathology, 1998-2004

Kansas State University, Assistant- Full Professor, Dept Plant Pathology, 1984-1998

Professional Recognition and Service (selected):

- 2014-- Member, RICE Oversight Committee, a global rice science initiative
- 2016-- Noble Foundation Plant Biology Division Non-Resident Fellow
- 2016-- Member, Joint BioEnergy Institute Advisory Committee
- 2016 Citrus Research Board HLB External Scientific Review Panel
- 2015-- Co-Editor (w/ S Lindow), *Annual Review of Phytopathology* (Ed board since 2003)
- 2012-2017 National Science Advisory Board for Biosecurity (NSABB), appointed member
- 2011-- Scientific Advisory Board, Keystone Symposia (ad hoc member 2009-10)
- 2011-2015 Pierce's Disease/GWSS Research Scientific Advisory Panel member
- 2011 USDA-NIFA Understanding Plant-Associated Microbes Panel member
- 2010-2015 Chair, American Phytopathological Society Public Policy Board (member since 2001)
- 2007-2015 Editorial Board, *RICE* (Springer)
- 2008-13 Advisor: Research Core for Interdisciplinary Science, Okayama University, Japan
- 2004-08 Presidential lineage (President, 2007) American Phytopathological Society
- 2006-07 Chair, AAAS Section O (Agriculture)
- 2006-09 Member, ASM Committee on Agriculture and Food Microbiology
- 2004 E.C. Stakeman Award in Plant Pathology, U. Minnesota
- 2002 Fellow, American Association for the Advancement of Science
- 2000-04 Advisory Board Member, US Rice Genome Sequencing Project
- 2000 Fellow, American Academy of Microbiology
- 1998 Fellow, American Phytopathological Society

Synergistic Activities**--Teaching and training:**

-Co-organizer: *Rice Research to Production Course*, 3-wk intensive course at the International Rice Research Institute (Philippines) 2015-017 http://www.ricediversity.org/outreach_new/course/

-Co-PI on NSF-IGERT: interdisciplinary training in bioenergy related fields

-Co-developed and taught (1999-2015) an Internet 2- interactive (real time) graduate course in Molecular Plant-Microbe Interactions (KSU, CSU, OK State, Oregon State, Univ Nebraska)

-Direct research of 1-4 undergrads/yr

- Member of Colorado Alliance for Graduate Education for the Professorate (AGEP) faculty, which seeks to increase the number of minority students in the STEM
- International research*: >25 yr collaboration w/ International Rice Research Institute (Philippines).
 - Collaborations in Japan, Korea, Brazil, France
 - Hosted & trained scholars, postdocs & students from Brazil, Senegal, Korea, Thailand, Philippines, India, Nepal, Japan, Guatemala, Colombia, Yugoslavia, France, China, Peru, etc.
- Science Policy*: APS Public Policy Board; development and advocacy of Phytobiomes Initiative for research to advance agricultural productivity and quality

Publications (since 2012)
